Happy Holidays!

The 2007 Legislative Session is on the horizon and we are busy preparing ourselves for the months ahead.

In the office this year we are very lucky to have Ginger Blaisdell, Darwin Peterson, Portia Parker, Dirk Craft, and Valerie Rose working for us. I'm sure their experience will be an asset not only to myself but to everyone else who has questions or needs help with the legislative process.

Three of the major issues this coming session will be retirement (PERS/TERS), the Gas Pipeline, and Ethics. We're anticipating more legislation from the Governor's office and within that Legislature that affects us all. Once again your thoughts and opinion are very important to us and if I can't speak to you personally my staff will be more than happy to pass your messages on to me.

We will be out of the office for the holidays and also packing up and leaving the first week of January. We wish you all a very Merry Christmas and a Happy New Year!

Hello friends!

Thank you all for your support of my new leadership position in the Senate. We are all looking forward to a very productive session this year.

Please be safe as the roads get more hazardous, and children venture outside to play in the snow.

Remember to get out and support our local sports teams competing this winter: Basketball, Skiing, Hockey, and Wrestling!

Sincerely,

Lyda
